

SYCAMORE CANYON ACADEMY

Dedicated to improving the lives of youth, families and communities.

Sycamore Canyon Academy

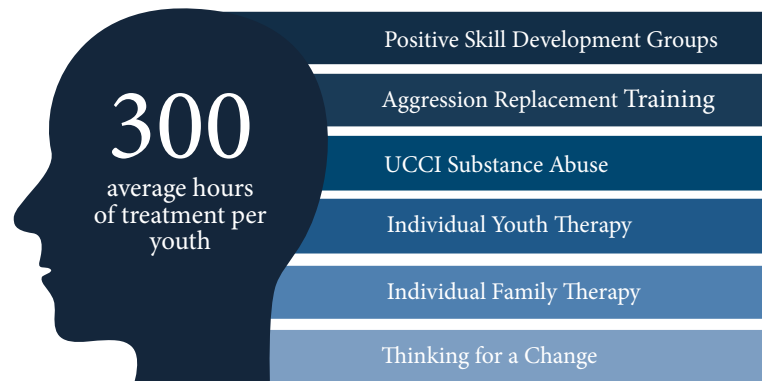

2019 Outcomes

In 2019, the young men at Sycamore Canyon Academy attended Cognia accredited classes, participated in extracurricular activities and developed new skills through evidence-based interventions. These targeted services helped them to plan for a successful future and reunification with their families and home communities.

Education and Vocation

Evidence-Based and Clinical Services

Family and Community Engagement

family contacts per youth per month
